Artist: Eva Hesse (1936-1970)

Title: *Landscape Forms*, 1959

Medium: oil on canvas

Dimensions: L: 30 x W: 24 in.

Treatment Report

• Preparatory treatment

- consolidated as needed with a solution of BEVA 371 and Naphtha
- removed painting from original stretcher
- flattened edges with alcohol:water solution, mild heat, and pressure
- vacuumed verso with dial-suction control vacuum

• Structural treatment

- BEVA lined on vacuum hot table
- re-stretched onto original stretcher; keyed to proper tension and secured keys

• Cosmetic treatment

- surface cleaned with Naphtha and cotton-tipped applicators
- filled areas of minor loss with acrylic based gesso and in-painted with pure pigment suspended in PVA medium
- selectively corrected areas of previous restoration at conservator's discretion

• Frame treatment

• Return

- returned to custom shadow box for transit

• Documentation

- digital images before, during and after treatment
- written condition and treatment proposal
- written treatment report including treatment images
